Dear friend,

Thank you sincerely for all your interest and prayerful support in our ministry among the young people in the Barn. We are very excited about the next meeting in March, when God willing M.A.P. (Mission Agencies Partnership) will be along with over 15 global missionary organisations to present various opportunities for young people to serve God. The M.A.P. team have prepared a programme for the evening to inform us what the Bible has to say about mission, explore what is happening around the world and also give us an insight into missionary life. We believe that there is great potential in this event to send many people out to work for God in places of real need. We hope that you will remember this meeting in your prayers and use many opportunities to invite young people along to this event.

(If you would like any flyers for this event please contact us on 07843956870)

Praise

- For all the many blessings, every need has been abundantly answered.
- The continued support of many people practically, financially and spiritually.
- Praise God for speaking and working in hearts of young people.

Prayer

- For the M.A.P. team as they present Missions, that God greatly help them.
- A good number would gather into the Barn for the event.
- That the Holy Spirit will be at work, challenging and stirring up young people to serve God.

GATHER THE WHEAT INTO MY BARN... MATTHEW 13 V 30
