Dear friend,

May we again thank you for your continued interest and faithful prayerful support in the work of "The Barn". We had a great night together in October when Andrew Armstrong shared his testimony and Gareth Gwynne brought a powerful message from God's word. It was encouraging to see many new faces along with even a group from Cavan attending! We trust that God will continue to work on and also speak to the many other people who have downloaded the message on the internet. As we turn our thoughts to the next meeting coming up on 21st November, when David Legge will be speaking, we realize the importance of seeking God because "our sufficiency is in Him" (2 Cor 3v5). We would really appreciate your prayers for this meeting and have listed a number of praise and prayer points for your attention.

Praise

- For the new website ministry which has opened up "The Barn" to a new audience.
- The new gospel flyer which has been widely distributed.
- Willingness of the team of people involved practically and in prayer.
- Praise God for speaking and working in hearts of young people.

Prayer

- That God would really help David Legge as he prepares and speak through the message and as a result lives would be radically transformed.
- For the various people as they take part in the meeting that they will all be used to glorify God.
- Wisdom and guidance over a possible mission in March.
- People to get saved through the work of the outreach team in Cookstown.
