Dear friend,

Thank you sincerely for your prayerful interest in our ministry among the young people in the Barn. We know that God has heard our prayers in the first month, giving help and pouring out his Holy Spirit with a real sense of Gods presence experienced. We give him all the glory for answered prayer.

We look to him again as we pour out our hearts in prayer for the young people like Daniel of old.

Daniel was a man of prayer

***“he went into his house and his windows being open in his chamber towards Jerusalem, he kneeled upon his knees three times a day, and prayed, and gave thanks before his God”***

***Daniel 6 V10***

As you can see in this verse Daniel prayed by opening his windows in his chamber and looked towards Jerusalem (city built by God, which came into existence because the Lord God said, ‘*She shall be inhabited*’) For Daniel was committed to the plan and purpose of God, aware that it would not fail but would be accomplished. For him the city Jerusalem symbolized this because it was the city were God had fulfilled his promises and where he had demonstrated time and time again that he was God. Therefore to view Jerusalem was to view God himself. To walk around Jerusalem and look at it was to look to God himself.

We learn from Daniel that we need to be looking towards God, He will fulfill His purposes for the lives of the young people of the Barn and He will do the work not us. We are looking to God to fulfill his promises that He has showed us through His word.

Looking to God for: Practical help on Friday night for setting up, Helping Garth as he comes to speak, To help the worship team and pray for website ministry as it continues to grow.

Again, thank you for your continued faithfulness in the place of prayer.

In Him, *your servants at the Barn*

GATHER THE WHEAT INTO MY BARN... MATTHEW 13 V 30
